WEEKLY REPUBLICAN—1897.  
DAILY PUBLIC LEDGER—1892.

MAYSVILLE, KY., FRIDAY, JUNE 23, 1905.

ONE COPY—ONE CENT.

## POSITIVELY

Copy for "changes" in advertisements MUST be sent in before 2 o'clock on the previous day.

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Mrs. James Dunn, who has been poorly for some time, is not so well.

Joiner Deal, who recently escaped from the West Union Jail, has been seen back of Garrison, where it is thought he is hiding in the hills.

Mr. William Shaefer of Cincinnati and Miss Cora Harry of Dayton, formerly of Lewis county, were married recently at the home of the bride.

Congo River Tabernacle No. 80 will have its annual sermon Sunday evening, June 25th, at Bethel Baptist Church. Rev. Lindsay of Mayslick will preach.

Those Maysville merchants who have taken space in the Germantown Fair Premium List and who have not already furnished the copy, will please send it to The Ledger Printery at once.

When a "nigger" steals a chicken in the county, the bloodhounds are at once ordered out and the special correspondents build four-story headlines over the happening. When an attempt is made to enter a city residence, the bloodhounds are given a rest.

Front street, between Limestone and Market, looks lonesome to pedestrians on the C. and O. viaduct. The old "Silver Moon," better known as the McDonald Flats, is being dismantled. This old house has been a familiar sight to people almost ever since Maysville became a city.

We have on hand a large stock of Cut Glass Tumblers, Water Bottles and Water Pitchers, Berry Bowls, Sugars and Creams, Vases, Salad Dishes, Butter Plates, Olive Dishes, all in handsome cut glass. This stock I want to reduce, and at the prices we are offering this handsome stock it will interest any one in need of cut glass. Our cut glass has always been recognized the best in the city.

P. J. MURPHY, the Jeweler.

## GOING TO EUROPE

Miss Hattie B. Erion of Augusta Also to Take the Trip

Broken Chronicle.

Miss Hattie B. Erion, who made such a creditable race in The Commercial Tribune's Trip-to-Europe contest, and who was defeated after a gallant struggle by Miss Birdie Bisset Walsh of Maysville, will make the trip anyhow.

Miss Hattie's many friends will be pleased to learn that she will be one of the many tourists who will enjoy the trip to the leading cities and points of interest of the old world.

She is one of the efficient and popular teachers of the Augusta schools, and the pupils and her friends, with one accord, wish a pleasant journey over old ocean's bounding billows and a safe return.

The steamer leaves New York July 1st and will be absent about six weeks.

## SUDDENLY ATTACKED

Colonel William N. Stockton Taken Seriously Ill Last Night

Last night as Colonel William N. Stockton was driving through Washington he was suddenly attacked with what has since been pronounced appendicitis.

He was lifted from his buggy and carried into Dr. Marshall's office, where medical attention was given him, but he did not rally and this morning his condition was given out as extremely critical.

He had been complaining a little yesterday, and to a friend at Morphysville a few hours previous to his reaching Washington said that he felt bad, but thought he would come on home, never dreaming that he was in such a critical condition, and even when he reached Washington he was still under the impression that he could reach this city.

Dr. H. K. Adamson of this city was summoned and has been with him all night.

Mr. Stockton is Vice-President of the E. A. Robinson & Co. Cigar Manufactory of this city, and is one of the most popular young men in this section. He had been out on a trip through this and adjoining counties and was returning home when attacked.

It is hoped that his ailment will be only temporary and that he will be able to resume his duties in a short time.

CONRAD—CARLISLE.

The home of Mr. and Mrs. Jacob Carlisle in Forest avenue was the scene of a very pretty home wedding Wednesday afternoon when their daughter, Miss Anna, was united in marriage to Mr. Charles Conrad.

The bride looked lovely in her wedding gown of white French lawn. The groom, a handsome young man, wore the conventional black.

The many handsome and useful presents received showed the high esteem in which the young couple are held.

That they have a bright and happy wedded life is the wish of their many friends.

HAWKINS—ARNOLD.

Mr. Hensley C. Hawkins and Miss Mary A. Arnold were married Wednesday at high noon at the home of the bride's parents, Mr. and Mrs. James Arnold, near Danville, Rev. T. H. Coleman officiating.

The bride is well known and popular, and has been teaching school in Mason county for the past three years.

The marriage is a happy culmination of a courtship since Miss Arnold began teaching in this part of the state.

The groom is a resident of Mayslick and is Rural Mail Carrier from the Postoffice at that place.

After a short bridal trip the young couple will reside at Mayslick.

ADAIR—HENDRICK.

The marriage of Miss Frances Hendrick of Flemingsburg and Mr. Edgar C. Adair of Lexington was celebrated last afternoon at 5 o'clock in the Presbyterian Church in Flemingsburg and was one of the loveliest social features of the summer there.

The Rev. Mr. Lindsey of Flemingsburg, Pastor of the Church, officiated and was assisted by the Rev. Dr. W. C. Condit of Ashland.

Miss Frances Sophie Amos of Flemingsburg was the Maid of Honor and Mr. William L. Garrison of Lexington the best man. The bridesmaids were Miss Blanche Brown of Pueblo, Colo., and Miss Octavia Cassidy of Flemingsburg, and the groomsmen were Mr. William T. Harrison and Mr. T. Coldridge Blackwell of Lexington.

The bridal couple drove to this city after the wedding, where they took the C. and O. Flyer last night for a trip to Washington, New York, Boston and other places of interest.

After a visit of several weeks they will return to Lexington, and will go to housekeeping in a beautiful home on the corner of Limestone and Maxwell streets.

Among those who attended the wedding from Fayette county were Mrs. Annette C. Adair, Mr. M. Chester Adair, Mr. William Garrison, Mr. T. C. Blackwell, Mr. W. T. Harrison.

## A FINE CRAFT

Is Naphtha Launch Built and Owned By Mr. Lewis Pelham

For several months past Mr. Lewis Pelham, son of Mr. W. C. Pelham, so well known here, has been busy completing a naphtha launch for his own pleasure.

Last evening he brought his trim craft down to the wharf, and it was inspected by quite a number of Maysville's boat critics, all being of the same opinion—that it is by far the nicest craft of its kind ever seen here.

Mr. Pelham built the entire boat with the exception of the engine, which is a 5½ horsepower gasoline.

The boat is 25 feet long and 6 feet wide, with carrying capacity of 25 people, and when let out it will make from twelve to fifteen miles an hour up stream.

One of the pleasant features of the boat is that you cannot hear the gasoline engine exhaust. Mr. Pelham has so arranged it that the exhaust pipe is under the water, thus doing away with a very disagreeable noise.

It is certainly "a thing of beauty," one which its gentlemanly owner may well feel proud of.

Isn't there a law on the local statutes that requires a man to resign his seat in Council when he moves from the Ward from which he was elected?

Ohio Traction Stocks are now the most active securities on the Cincinnati market. This is a pointer for those who will be asked to invest in the stock of the Maysville and Paris Traction Line.

The St. Petersburg papers are probably correct when they say that England would like to see OYAMA lick LINCOLN; and they might add that the people of the United States are mostly in sympathy with English thought.

The resignation of Grand Duke ALEXIS as High Admiral of the Russian Navy was due, perhaps, to a fear that he might be ordered to take active command of the Czar's fleet, and he had no taste for the society of mermaids.

The Louisville Herald pays this passing compliment to one of its extinguished citizens—

"So devoted is the Hon. AXON KOLB to the memory of the late Senator GOEBEL that he still wants a chunk out of the latter's estate for a relic. He has applied at Covington to a Republican Judge for a new trial of his claim for \$5,000 counsel fees against the Goebel estate."

Those young men who told the Grand Jury that they were not gambling, when arraigned for taking part in a Sunday game a few weeks ago, must have been studying their prayer-books. Some day they will make splendid reporters for "yaller" newspapers.

WELL, well! The Woggle Bug made its appearance in East Second street following THE LEDGER's inquiry as to its whereabouts. And is Maysville really to have some of her canals converted into semi-streets?

"ONLY one President was born in Kentucky—ABRAHAM LINCOLN,"—says an exchange. Yes; but he was big enough to counterbalance half a dozen of the others. However, Kentucky furnished the Presidents of two Governments at the same time—LINCOLN of the United States and JEFFERSON DAVIS of the Confederate States.

### Political Pickings

#### WHAT CAUSED MARCUM'S DEATH.

Louisville Times.  
Judge Hargis and Deacon Callahan are to be felicitated on the fact that they have been vindicated by no less a judicial authority than Magistrate Allen in a no less law-loving community than Jackson, in a no less peaceful and God-fearing county than Breathitt.

If the statements of correspondents on the scene and in Winchester are to be accepted, the "trial" of Judge Hargis and his associates presented the somewhat exceptional features of the baiting of a defenseless woman, of the accused's usurping the prerogatives usually accorded to Judge, Prosecuting Attorney and Jury, of an alleged confederate's determining what testimony should be made a matter of record and what should be excluded; of the departure from the Courtroom of the regularly appointed Prosecuting Attorney with the gently expressed hope that the Court would go to the devil; and the final ruling of the Judge that the testimony of witnesses for the plaintiff would be irrelevant if admitted, and his dismissal of the case for lack of relevant testimony. It is possible that, in the light of these reported occurrences, the impression may gain headway among people accustomed to the ordinary form of legal procedure that work may yet be found for a Grand Jury, but that, of course, is a mere matter of opinion, not to be weighed against the word and wish of gentlemen of such eminent respectability, chivalry and self-restraint as Judge and Alexander Hargis, Deke Callahan and Fulton French are now declared to be by "Squire Allen."

As for the original point at issue—the charge that the Hargises and Callahan conspired to murder James B. Marcum—it is evident from the rulings of that noble fount of judicial learning, "Squire Allen," that it was founded on a misapprehension and, doubtless, time will show that Marcum was not murdered, but came to his death from the act of biting himself in the back of the neck.

### A FOOLISH PLAN

'Tis a joy to eat—I welcome my dinner hour; Because I rout indigestion with August Flower!  
Constipation is the result of indigestion, biliousness, flatulency, loss of appetite, self-poisoning, anemia, emaciation, uric acid, neuralgia in various parts of the system, catarrhal inflammation of the intestinal canal and numerous other ailments that rob life of its pleasures if they do not finally rob you of life itself.  
'Tis bound in the bowels, is a common expression of people who look miserable and are miserable—yet who persist in "letting nature take its course."  
What a foolish plan, when nature could be aided by the use of Green's August Flower, which is nature's own remedy for constipation and all stomach ills.  
August Flower gives new life to the liver and insures healthy stools.  
Two sizes, 25c and 75c. All druggists.

### Seven years of frightful suffering from Eczema Cured by 4 bottles of D. D. D. Prescription.

Read letter from this prominent business man.

OMAHA, NEB., Dec. 15, 1903.  
After giving every well-known remedy a thorough trial and taking treatment from different physicians without receiving any relief, I had almost given up hope when through the recommendation of the drug firm, Sherman & McConnell, I tried a bottle of the D. D. D. It gave me instant relief. Have used four bottles and think I am cured after suffering for the last six or seven years with the worst of all skin diseases, the eczema.  
W. E. OWENS, The Owens Fence Post Co.  
Don't be fooled into thinking that skin troubles come from blood impurities and don't ruin your stomach with purges and blood remedies.  
Eczema and all skin diseases are caused by little germs that attack the skin externally. D. D. D. Prescription kills these germs and leaves the skin clear, soft and healthy. Its work seems almost miraculous. If you are skeptical go to the druggist whose name appears below and he will show you photos and proof positive that D. D. D. will actually cure any and all skin diseases.  
D. D. D. costs but \$1.00 per bottle and is guaranteed to cure any skin disease or money refunded. For sale and guaranteed by  
J. JAS. WOOD & SON, Druggists, Maysville, Ky.

### OFTEN THE BEST PART OF LIFE

Help for Women Passing Through Change of Life

Providence has allotted us each at least seventy years in which to fulfill our mission in life, and it is generally our own fault if we die prematurely.

Mrs. Mary Koehne

Nervous exhaustion invites disease. This statement is the positive truth.

When everything becomes a burden and you cannot walk a few blocks without excessive fatigue, and you break out into perspiration easily, and your face flushes, and you grow excited and shaky at the least provocation, and you cannot bear to be crossed in anything, you are in danger; your nerves have given out; you need building up at once! To build up woman's nervous system and during the period of change of life we know of no better medicine than Lydia E. Pinkham's Vegetable Compound. Here is an illustration, Mrs. Mary L. Koehne, 371 Garfield Avenue, Chicago, Ill., writes:

"I have used Lydia E. Pinkham's Vegetable Compound for years in my family and it never disappoints; so when I felt that I was nearing the change of life I commenced treatment with it. I took in all about six bottles and it did me a great deal of good. It stopped my dizzy spells, pains in my back and the headaches with which I had suffered for months before taking the Compound. I feel that it had not been for this great medicine for women that I should not have been alive to-day. It is splendid for women, old or young, and will surely cure all female disorders."

Mrs. Pinkham, of Lynn, Mass., invites all sick and ailing women to write her for advice. Her great experience is at their service, free of cost.

## FILES A PROTEST

### Important Question Involving the Paying of Taxes by Banks

Attorney James P. Helm of Louisville, representing a number of Banks in this city and others, yesterday entered with the State Board of Valuation and Assessment a protest against paying taxes for this year on the amount of the funds of these Banks which is invested in Government bonds, and later filed in the State Fiscal Court a petition for an injunction restraining the Board from attempting to collect taxes of such funds.

He gave notice that he would on June 24th next apply at Paris to Circuit Judge Stout for such injunction for the Southern National Bank of Louisville; the American German National and the City National Banks of Paducah.

At the time Attorney Helm appeared before the Board it had not taken final action as to the assessment of the Banks named. This action was, however, immediately taken, and the Attorney tendered the amounts of taxes due from the Banks named, less the amounts claimed to be due on the funds invested in Government bonds, this money aggregating \$10,439.

This the Board accepted as partial payments on the total amounts of taxes which it claims to be due, which aggregates \$24,624.52.

The question is one of wide importance, as there are more than 200 National Banks in the state which will be affected by the decision in this case.

**Cuban Diarrhea.**

U. S. soldiers who served in Cuba during the Spanish War know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon as will be seen in the following certificate from Mrs. Minnie Jacobs of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by all Druggists.

Newt Whalen, aged about 50, was shot and killed by William Mastin early yesterday morning at Oddville, six miles East of Cynthiana. He was trying to break into Mastin's house.

**ANOTHER WONDERFUL CURE BY CUTICURA**

"No tongue can tell how I suffered for five years with itching and bleeding eczema, until I was cured by the Cuticura Remedies, and I am so grateful I want the world to know, for what helped me will help others. My body and face were covered with sores. One day it would seem to be better, and then break out again with the most terrible pain and itching. I have been sick several times, but never in my life did I experience such awful suffering as with this eczema. I had made up my mind that death was near at hand, and I longed for that time when I would be at rest. I had tried many different doctors and medicines without success, and my mother brought me the Cuticura Remedies, insisting that I try them. I began to feel better after the first bath with Cuticura Soap, and one application of Cuticura Ointment. I continued with the Soap and Ointment, and have taken four bottles of Cuticura Resolvent, and consider myself well. Any person having any doubt about this wonderful cure by the Cuticura Remedies can write to my address, Mrs. Altie Etson, Bellevue, Mich."

**ITCHING ECZEMA And All Other Itching and Scaly Eruptions Cured by Cuticura.**

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of scalp, as in scalled head; all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment, and Pills are such stands proven beyond all doubt.

Cuticura Soap, Ointment, and Pills are sold throughout the world. Write Dr. J. C. Clark, Corp., Boston, for literature. Send for "How to Cure Eczema."

**HOW IT STICKS.**

**Maysville Has Found It Hard to Shake OF.**

Hard to bear, harder to get rid of, is any itching skin complaint, Eczema or Itching Piles. Doan's Ointment relieves and cures All itchiness of the skin. Maysville people endorse this statement: Mrs. Kate Poth, living at the corner of Clark street and Forest avenue, Maysville, Ky., says: "I gave a statement about Doan's Ointment which was published in our Maysville papers. I said that I had received most decided benefit from the use of this remedy, procured at J. Jas. Wood & Son's Drugstore. For a long time I had an itching or eczema on the scalp. It broke out in spots and sometimes the spots would appear on my forehead and temples. The itching was particularly troublesome just before a rain and was then so intense that I could not sleep at night. It required only a short use of Doan's Ointment to cure the trouble, and the cure has been lasting for the past five years. There has never been even an indication of a recurrence. A friend of mine also had eczema and tried everything for it but never found anything to remove the annoyance. On my recommendation she used Doan's Ointment and was absolutely cured."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.
